### HISTORIC GARCO MILL BRINGS CHARLESTON CULINARY SCENE TO PARK CIRCLE

Now, after years of environmental remediation and planning, the old mill and vacant land are set to transform into a **bustling community** of restaurants, including a chef-driven **food hall** featuring up to 16 individual food and retail stalls, creative office space, entertainment and a one acre **public park**. Continuing the growing trend of creating an experiential destination, Garco Mill will represent preservation, sustainability and **neighborhood connectivity** – all while providing locals with a truly unique place to enjoy and out-of-towners a distinctive first impression of **North Charleston**.
